Dear John and Richards:

When I was in New York for a very brief visit this last weekend, I had lunch with Lloyd Goodrich. He was raving about the wonderful evening he had had with you two -and I wasn't the least bit jealous. I am so happy you had him down. From his report, I couldn't figure out whether he was more impressed with Richards or John!

Very best to you both, as always -and a Happy, Happy Christmas (and the hope that some good solution can be found to that studio problem...but keep smiling!).

Cordially,

Lamar Dodd
