Mr. John Rhoden
285 Eighth Avenue
New York, New York

My dear John Rhoden:

It was good to hear from you, and to know you are progressing in your work. I never received the catalogue you mention—but I did see something about you in some magazine.

Will be glad to send in a letter for you to the Whitney.

Why not call me some time so we can arrange for an old-time chat?

Best of luck,

As ever,

Hale A. Woodruff
Associate Professor
Art Education Department
