Dear John:

May I hasten to acknowledge your good note which has just arrived and to thank you for the greetings.

I will be in New York this time next week, with a schedule that looks simply impossible. However, if you have an opportunity give me a ring at the Barbizon-Plaza early Tuesday morning and let's see if there is a moment that we could get together even for a telephone conversation. My best wishes to you both.

Sincerely yours,

Lamar Dodd
