Dear Mr. Rhoden:

Talladega College is having the pleasure of exhibiting a selection of paintings from the Solomon R. Guggenheim Museum during the first semester of this school year. Miss Margaret Montgomery has loaned a very fine wooden head made by you to be shown along with this very fine exhibit. She has suggested that I contact you to see if you have some small pieces of sculpture that could be shown along with this exhibit. Providing you do, the Department of Art will be willing to take care of all expenses involved in shipping. Should this be possible, please notify me immediately so that I may include the announcement in the catalog now about to be printed.

With hopes of hearing from you very soon, I am

Yours sincerely,

David C. Driskell
Assistant Prof. of Art
