Brooklyn, New York

Dear Mr. Rhoden:

As you may know, the Institute of International Education is the agency designated by the Department of State to conduct annual competitions for awards for graduate study and research abroad on the pre-doctoral level under the Fulbright-Hays Act. To that end, we invite area specialists and authorities in various fields to serve on the National Screening Committee, which reviews applications and nominates candidates to the Board of Foreign Scholarships. The enclosed brochure describes the program.

On behalf of the Board of Trustees, I take pleasure in asking you to serve on the Committee which will review applications for Sculpture for the 1968-69 academic year.

The meeting is scheduled to take place at the Institute's headquarters, 809 United Nations Plaza, New York City on Tuesday, December 12, 1967 from 9:30 a.m. to 5:00 p.m.

We believe your knowledge and judgment would be of great value in the deliberations of the Committee and hope you will be able to participate in this program.

I look forward to your reply.

Sincerely yours,

Kenneth Holland
President
