Dear Mr. Barr,

Enclosed please find list of some of the artists in the Soviet Union I spoke with you concerning on the telephone a few weeks ago. However, I would like to make it clear that this is quite decidedly the 'official list' and to meet the truly creative artists, it is necessary to seek them out. ~~I have color slides of many of them.~~
I also have contacts in Poland and Jugoslavia which I will be glad to send on to you if you have need of them.

Sincerely,

John W. Rhoden

I visited the studios of some of these creative artists.
