Bucks dear

Today I received you two letters.  
I've read them a dozen times and  
just can't understand just why you  
haven't received more mail from  
me. I have been caught a couple  
of times in Saigon and Cambodia  
in the political mess. I wrote you  
in both places now why didn't  
my mail come thru.

Please don't worry about me  
dear. it's you I love regardless  
of every thing else. You must be just  
a bit patient longer I will be  
I've had my long miserable days  
of loneliness wanting you.  
This assignment I must complete and  
soon
