RE: HO-145

BELLEVIEW HOSPITAL

Dear Sir,

This is to inform you that in the
abovementioned Contract, item "C) when the
working model (approx. 1/6th scale) is com-
pleted, and approved by the Art Commission

.....\$ 19,000.00 *

payment for which the Department of Public
Works gave their authorization this past July,
has not been made.

I most certainly will appreciate it
very much, if this matter can be expedited in
such a way to allow the Contractor, Castagna
to make this payment possible; as the Modern
Art Foundry has the completed sculpture and is
in need of their rightful one-third of casting
costs to go ahead.

Hoping that you can facilitate matters
in this situation.

Sincerely,

John W. Rhoden
