Dear Rhodens:

Thank you very much for your letter of January 1st enclosing photographs. We are very happy that Mrs. Saldenberg is going to give you a show in March - this is really thrilling news.

We are sorry that Belly Dancer #2 has been sold, and Belly Dancer #1 cannot be located. We will be in New York City either the 1st or 2nd of February, at which time we will come to see you. By that time we should be able to see Belly Dancer #3 in its completed state.

I am returning your photographs under separate cover. Many thanks for sending them. I am sorry that your earlier letter and photographs went astray - we never received them.

With kindest regards.

Very sincerely yours,

Richard K. Weil
