New York.

Dear Mrs. Rhoden:

Peter Fernandes, the photographer, left with me yesterday three photographs which he took of you during your Salisbury visit, and asked whether I would be willing to send them on to you. This I am very happy to do and I send them herewith, with the hope that they arrive in good condition.

Fernandes is a first rate photographer and I think his pictures of you are excellent.

We still recall with much pleasure and satisfaction the visit which you and your husband made to Salisbury, and we continue to hear most favorable comments about it. One lady of excellent taste told me that your husband, in her opinion, was the only first rate artist who had visited Salisbury in the last several years.

With kind regards to both of you.

Sincerely yours,

Loyd V. Steere
