CABLE ADDRESS  
"AMACADEMY"

Dear John and Richard -

Well and I am sorry that we'll be away when you come - as we'll be on the first full trip - for we would have liked to be here when you arrive and give you a proper welcome. I only hope this note will serve to tell you how glad we all are that you are back again.

I know the room will do - we're crowded again this year - really full up. And I must apologize for the fact that the Studies I promised you will not be vacant until 25 October. The occupant, James

RICOH HI SPEEDA KADENKA

Wines, was expected to leave by mid-October -  
but there has been a week's delay. If you  
need a temporary place to work - perhaps the  
room in this end [The Academy <sup>and</sup>] of the  
Casa Rustica could be adapted for a week.

I'm indeed sorry for the delay about your  
regular studio - but you know how things are  
when people don't have as expected.

We're due back about the 21<sup>st</sup> - all  
our best measurements - and we'll see  
you - at this - or up to date  
as always.

As always, I hope this  
letter finds you well and happy.
