RE: THE FREDERICK DOUGLASS STATUE

Dear Mr. Atwell:

I have just received the packet of materials which you sent me regarding the statue of Frederick Douglass being prepared by Mr. Rhoden to be presented to Lincoln University by you and your brother.

Now that we have the rough specifications for the base, I plan to present this to our consulting architect, Mr. Jahan Sheikholeslami, and bring up the entire gift to the Board of Trustees when they meet on November 19, 1988. We shall be in touch with you soon thereafter concerning the precise location of the statue in relation to Vail Hall.

Thank you once again for your concern and for your support. Please give my best regards to Mr. Rhoden as well as to your wife and other members of your family.

Sincerely yours,

Niara Sudarkasa
