

Rhoder-san:

Sorry you left Japan in such a hurry.

I received the \$6,000. — you left for the chiefs. I'm tied up with everything for the next 5 or 10 days, but will try to get the stuff as soon I have time. I sent the man a letter but no answer yet.

If you move, or know when you're going to, please give me air-mail with your new address.

My address & name:

Kiyomi Morimoto

Good luck and Goodbye

Sincerely,
