Dear Mr. Rhodes:

Quite some time ago I was fortunate to obtain glossy photos of your steel sculptures for the German Iron and Steel Institute.

Some of your art work is illustrated in a book of the aforementioned institute. I am holding a complementary copy for you, which I should like very much to forward to you. Before doing so, however, please verify your address as I do not know whether you have changed your residence in the meantime. Upon receipt of a note from you, I shall mail this copy to you, naturally free of charge.

The German Institute has planned to issue another publication again on steel sculptures. If you have glossy photos available of your recent work, I shall much appreciate it if you will provide them.

I am looking forward to hearing from you and am

Sincerely,

Martin Baumann
