A Salute to the Collections

May 31, 1983

Dear Mr. Rhoden,

Your beautiful sculpture was the focal point of the prizes in our Gallery for the ball — and because of this priceless gift we sold more chances than we ever did at any Ball.

You have always been so loyal and generous over the years that the community committee owes you our deepest and genuine appreciation.

There was no evaluation attached to the sculpture, so I will send this attached sheet for your records (that you can fill in). I shall phone you later to include it in our records.

We are ever grateful - Sincerely,

Mrs. John J. Goliger
